

Ohio Ridge Riders Club Newsletter April 2010

www.ohioridgeriders.com

The April 2010 meeting was held on Wednesday April 7, 2010 with eight members present.

The trails are officially closed for the season. Signage is being picked up and gates installed.

The Club would like to thank everyone that worked on the trails this year. While the season was far from the best we have had, everyone that worked on the trails made them as good as possible. All the volunteers that maintain the trails are thanked for their hard work and dedication.

The Club would also like to thank our landowner's that allow our trails to cross their land. With out their generosity, our trail system would not be possible. The club will soon be sending them a small token of our gratitude to them.

Poles and lumber have been delivered to the South Lake area for rebuilding the bridges on the South Lake/Nobelboro trail this summer.

The club will be sending a representative to the NYSSA forum in Liverpool this month.

With the end of the snowmobiling season, the Club would like to remind our members that the snowmobile trails are not ATV trails. It is illegal to operate an ATV on the snowmobile trail unless you have permission from the landowner. Every year the Club receives complaints from landowners that ATV's are using the snowmobile trail. This has resulted in a few landowners closing off their land and trails to us. Please respect our landowners and ride only on trails that you have permission to be on.

SnowBash '10 will be held on Saturday & Sunday September 18 & 19 this year. As always, help will be needed in the weeks before the event to help set up and get

the track ready. If you would be interested in helping out a couple hours or a few days, please give Carl Irwin a call at 315-826-826-3436 or e-mail Carl at cirwin880@roadrunner.com. Carl will compile a list for this.

The new raffle tickets are here and ready to be purchased. If you would like to purchase one or more, please send a check made out to ORRC for \$100.00 each to:
