## *The Largest Snowmobile Association in the Country*

As the unified voice for NY Snowmobiling, NYSSA works year round to promote the sport and protect the trails needed for winter enjoyment. NYSSA defends all clubs and snowmobilers against discriminatory legislation.

- \$868 million annual economic impact to New York State
- Representing 235 snowmobile clubs and 60,000 members
- 10,000+ miles of trails
- The average snowmobiler spends more than \$3,000 annually on snowmobile activities

NYSSA is a member of the Adirondack Snowmobile Plan Focus Panel, the Forest Preserve Advisory Committee, the New York State Trails Council, the New York State Trails Coalition, the Northeast Chapter of the ISC and the Blue Ribbon Coalition.

# Zero Alcohol

NYSSA reminds riders that many snowmobile-related accidents would be prevented if every rider made the smart choice for **zero alcohol**.

It is recognized that riding a snowmobile is a voluntary activity that may be hazardous. Operating a snowmobile requires peak concentration and reactions at all times.

**Zero Alcohol - Your Smart Choice**

# Tips for Safe Snowmobiling

- Zero alcohol before and during a ride
- Respect landowners' wishes, obey posted signs and stay on the marked trail
- Ride within your ability; operate at a safe and prudent speed at all times
- Stay to the right, share the trail, and yield to groomers
- Be prepared for changing trail and weather conditions
- Obey NYS snowmobiling laws
- Always ride with another snowmobiler
