The March 2018 meeting was held on Wednesday March 7, 2018 with seven members present.

Trail Report: Trail conditions have improved with the snow received in the past week. The snow did bring down some tree limbs and the warmer temperatures have opened up some water holes. **Please use caution when riding. Please note that logging operations are ongoing on C4 in the Thorpe Vly/ Unclemier Road area. The trail is closed in this area between Hill Road and the Mud Lake trail intersection.**

The Trail updates are available at the club's Facebook page:
