

Ohio Ridge Riders Club

Newsletter February 2019

www.ohioridgeriders.com

The February 2019 meeting was held on Thursday February 7, 2019 with twenty members present.

Trail Report: The trails are currently closed due to the warm temperatures and rain that we are currently receiving. We hope to re-open the trails this Saturday when the temperatures are forecasted to drop back below freezing. Once the trails do re-open, please be cautious of washed out spots and possible water on the trails in spots. A re-open notification will be posted on the Club's Facebook page:

<https://www.facebook.com/OhioRidgeRiders>

The above picture was taken six days ago. Hopefully we will be back to those conditions soon.

There is a bridge out on trail C4C near Mosquito Hill. A work party will be planned to replace this bridge and volunteers will be needed to assist. Trail C4 from Mud Lake is scheduled to be broke open tomorrow if weather conditions allow. C4 from Hall Road to Buck Point Lodge has been opened but caution is needed. There are two areas that need culverts installed. They were

passable before this thaw but we are not sure what they will be like now. Use caution if you use this trail.

The 2019 Poker Run was held on Saturday January 26, 2019. The snow and trail conditions this year were best they had been in a number of years. Participation was very good this year and the Club would like to thank the organizers, volunteers that staffed the event, and everyone that participated.

Unfortunately we had an accident on C4B early Saturday February 2nd. The person sustained minor injuries. It could have been much worse.

There have been numerous fatalities around the area this season. Please slow down and respect the machine and the trail.

The next meeting will be Thursday March 7, 2019 at the Ohio Recreation Hall on Nellis Road at 6:30 PM.

Be safe and Ride Right!
