The March 2019 meeting was held on Wednesday March 7, 2019 with thirteen members present.

Trail Report: Trail conditions have been very good this season. C4C to mosquito Hill and Morehouse has been opened and groomed with a flat drag. Use caution as there is one spot that needs a bridge next summer to be built. C4 from Hill Road to Billy Hamlin Road is open and has been groomed. There are two areas that will have culverts installed over the summer, but is passable. Again, use caution. C4 from Billy Hamlin Road to Salisbury via Mud Lake remains closed due to deep washouts. Work is planned for this weekend on this trail. This section of trail is tagged closed on the NYSSA state wide map. Updates will be posted on the Club's Facebook page:
