www.ohioridgeriders.com

The February 2021 meeting was held on Thursday February 4, 2021 with 12 members present.

All trails are currently open with excellent conditions reported. C4H to South Lake is open with some grooming. C4 through Mud Lake is open and groomed with some rocks still showing. As always, ride cautiously.

The DEC EnCon Police have been on the trails and tickets have been written for loud pipes, no registration, and no insurance. Loud pipes followed by riding off the trail are the number 1 and 2 complaints we receive from landowners. Please respect the trails by keeping the stock muffler on and staying on the trail.

Groomers and trail workers, please report any trail maintenance/grooming to trail coordinator Brian Rhea at <mailto:orrtrailcoordinator@gmail.com>.

Trail work continued this month with a bridge re-deck in Norway:

And a wet area corduroyed on Mosquito Hill on trail C4C:

A huge thank you to all the volunteers that make our trails great!
