

Ohio Ridge Riders Club Newsletter March 2025

www.ohioridgeriders.com

The March 2025 meeting was held on Thursday March 6, 2025 with 9 members present.

Trail Report: All trails are open. Yesterday's rain does not appear to have hurt things too bad. It is currently below freezing with light snow. Freezing conditions are forecasted to stay through the weekend. There may be some icy areas, washouts and water holes, so be careful. C4H from South Lake to the Mad Tom Junction is open, but expect rough conditions as we have had groomer issues on this trail. Our Tucker is currently down while a rear leaf spring is repaired. Trail updates will be posted to our Facebook page at:

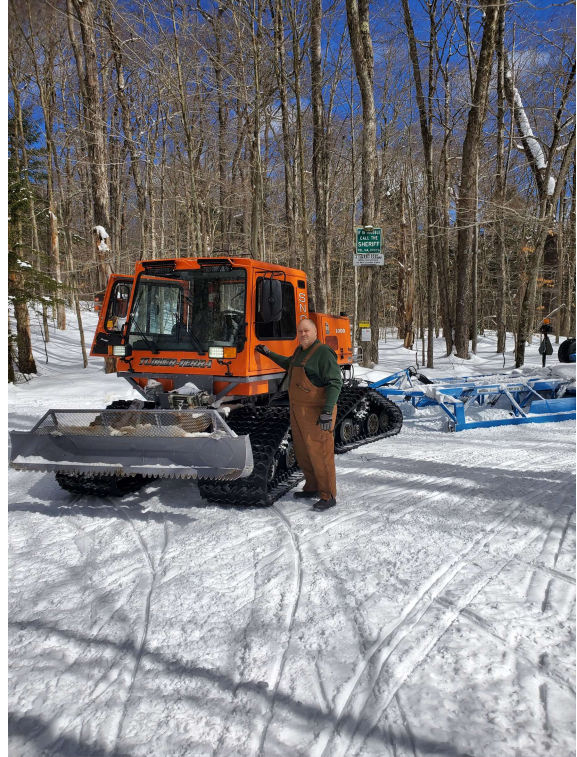

<https://www.facebook.com/OhioRidgeRiders>

The club would like to thank Mr. Tom Finn for his very generous donation to the club. We appreciate the support!

With the amount of snow we have received, the snow banks have been pushed up too high for us to get on and groom a trail. This forces the sleds to ride in the road in these sections. Please ride slowly and cautiously in these areas with the

vehicle traffic. This picture is C4 along Gray-Wilmurt Road.

Grooming S46A and C4H last Monday.

The volunteers that take care of the trails have put in countless hours this winter. While we are out there we appreciate the thumbs up and the thanks and compliments that we have received.

If you do any kind of trail maintenance, please be sure to let the Trail Coordinator know so we can put the time towards our maintenance grant for reimbursement. E-mail the trail coordinator at: orretrailcoordinator@gmail.com.

Enjoy the conditions while we still have it. Ride safe and ride right. And always respect our landowners!

The next meeting will be Thursday April 3, 2025 at the Ohio Recreation Hall at 140 Nellis Road at 6:30 PM.
